summer camps

June 11-August 3, 2018 | PreK-8th Grades

- Extended Day Care from 7:15-8:30 am & 3:30-5:30 pm.
- NEW camps for 2018! Featuring a wide variety of STEAM camps and partnerships with local organizations.
- FREE recess & lunch supervision for students who attend both AM & PM camps. *Please bring a sack lunch.*
- We offer small class sizes and certified teachers!
- Register your child(ren) for the grade they will enter in the 2018/19 school year.

ACADEMIC CAMPS (1st-6th Grades)

Students will be split by grade levels: 1 - 3 and 4 - 6
\$425/session (4 weeks)

SESSION 1: READING-FOCUSED OPTIONS:

4-WEEK SESSION: JUNE 11-JULY 6 | 8:30 AM-11:30 AM

- **Closing the Gap in Reading & Writing:** Join our intensive and focused program for students in need of a boost in reading and writing. The skills and strategies used by proficient readers and writers will be directly taught. Teachers are trained in the Orton-Gillingham method, a high quality instructional approach intended primarily for students who struggle with reading, spelling, and writing.
- **Reading & Writing Enrichment:** Ready to take your reading, writing, and comprehension skills to the next level? We'll help you boost your critical thinking and creativity in language arts. This camp is appropriate for students who are average or above in these areas but want to stay engaged over the summer and have fun!

SESSION 2: MATH-FOCUSED OPTIONS:

4-WEEK SESSION: JULY 9-AUG 3 | 8:30 AM-11:30 AM

- **Math Basics:** Struggling with basic math computation? This class is designed to help close the gap to success with addition, subtraction, multiplication, and division using manipulatives to strengthen concepts. This camp is appropriate for students with remedial skills.
- **Math Enrichment:** Are you a math whiz who just can't get enough? Then this camp is for you! We'll determine your understanding of math and challenge you to keep growing during the summer break. This camp is appropriate for students who are average or above in math but desire to stay engaged over the summer and have fun too!

HEALTHY LIFE & RECREATION (K-6th Grades)

all-day & half-day options

\$164/week—all-day | 8:30 am-3:30 pm **Includes FREE recess & lunch supervision! Please bring a sack lunch.**

\$82/week—half-days | 8:30 –11:30 am OR 12:30-3:30 pm

Join us for fun-filled days with organized recreation: crafts, games, field trips, exercise, and swimming centered on weekly themes that all tie into life-long learning experiences. Minimal fees may be assessed for field trips and activities periodically. **Campers go swimming at Noelridge Aquatic Center on M-W-F afternoons, weather permitting.** Swim passes are not provided through Summit Schools. Swim passes must be purchased through the C.R. Rec. Dept. There will be a culminating all-day field trip the last half of summer camps with an additional fee. Details will be announced closer to the date.

THEMES:

Week 1: Gardening	Week 5: Cooking
Week 2: Camping & Survival	Week 6: Minecraft
Week 3: LEGO® Fun	Week 7: Water
Week 4: Stars & Stripes	Week 8: Outer Space

THEMED CAMPS (PreK-8th Grades)

- Monday-Friday AM & PM camps with a unique theme each week
 - PreK/K classes with a focus on Kindergarten readiness.
- Register for AM & PM classes in the same week and receive FREE recess & lunch supervision! *Please bring a sack lunch.*
- AM Camps: 8:30-11:30 | PM Camps: 12:30-3:30 | \$112/camp unless otherwise noted.

THEMED CAMPS DESCRIPTIONS

PreK & Kindergarten Themed Camps

Focusing on Kindergarten Readiness

Morning & Afternoon Options

BARNYARD BUDDIES

Spend a week in Old McDonald's shoes as you tend to the farm! Learn about your favorite barnyard animals through a variety of crafts, science experiments, and hands-on exploration.

June 25-29 / 8:30-11:30 a.m.

CREEPY CRITTERS

Explore the world of incredible insects! We'll learn about buzzing bees, wiggly worms, spinning spiders, and more. Come examine the creepy crawly critters all around us.

July 23-27 / 8:30-11:30 a.m.

FAIRY TALE SCIENCE *NEW*

Enjoy the science behind your favorite fairy tales during this fun-filled week. How do we create "magic potions"? How does temperature affect dragon's breath? How do some heroes fly? Think like scientists for the week as we bring fairy tales to life!

July 2-6 / 8:30-11:30 a.m.

INTRO TO SPANISH *NEW*

Vámonos! This week, build on your child's natural curiosity and introduce them to the Spanish language. Learn the alphabet, along with basic words for color, food, numbers, and favorite animals. Activities will include games, snacks, and hands-on exploration. This camp will be taught by a certified Spanish teacher.

July 9-13 / 12:30-3:30 p.m.

LET'S GO CAMPING!

Love the great outdoors? Join us for a week of camping! We'll put up a tent, share fun stories around the "fire," enjoy s'mores, learn about survival basics, and more!

July 23-27 / 12:30-3:30 p.m.

MINI ASTRONAUTS

Join our action-packed space adventure. We'll explore how shuttles and rockets work, create constellations, and even eat like an astronaut! Students in this camp will experience the Digital STARLAB® planetarium! This week is sure to be out of this world!

July 30-Aug 3 / 8:30-11:30 a.m.

MINI GARDENERS

Calling all green thumbs! Let's get to the root of it as we learn about soil science, seed germination, and how produce gets from the ground to our table. Enjoy the fruits of your labor as you plant items to take home!

June 18-22 / 12:30-3:30 p.m.

MINI MAD SCIENTISTS *NEW*

Summoning all scientists! Join us in the lab as we experiment with colorful concoctions, messy mixes, and cool chemical reactions. Launch balloon rockets, create slime, brew a batch of bubbles and more during this action-packed week.

July 16-20 / 8:30-11:30 a.m.

MUSICIANS IN THE MAKING

Calling all music lovers! Get in the groove as we experiment with sound, learn about our senses, make our own instruments, and work together to make music during this rockin' week.

July 2-6 / 12:30-3:30 p.m.

MY FIVE SENSES *NEW*

Explore your five senses! Enjoy a variety of experiments, cook some tasty treats, and challenge your senses this week. You'll even learn some sign language!

June 11-15 / 8:30-11:30 a.m.

OCEAN ADVENTURES

Join us under the sea! Explore coral reefs, jellyfish, sharks, and more as we dive into a week of underwater adventures.

June 11-15 / 12:30-3:30 p.m.

SPORTS BONANZA

If you're a sports fanatic, don't miss this camp! Spend the week learning about and participating in your favorite athletics. Work on sportsmanship and teamwork as you strengthen your gross and fine motor skills.

July 9-13 / 8:30-11:30 a.m.

STORY SMORGASBORD

Hungry for a good book? This class explores several children's stories that have food themes. We'll incorporate some tasty treats as we dig in to some of our favorite tales.

June 18-22 / 8:30-11:30 a.m.

SUPER HERO SCIENCE *NEW*

Study the science behind your favorite super heroes! How do they fly? How do they change colors? What exactly is Spidey's web made of? Science exploration, games, and super hero training quests are included in this action-filled week!

July 16-20 / 12:30-3:30 p.m.

UNDER THE BIG TOP

Come one, come all as we enjoy a week of circus fun! We'll get this show on the road as we eat circus food, learn about different circus animals, clown around with some new juggling and tumbling moves, enjoy animal balloons, and more!

June 25-29 / 12:30-3:30 p.m.

WACKY WATER

Ride the wave into this fun class. We'll explore water in its various forms, compare dry ice and ice cubes, brew up some bubbles, study surface tension, and more!

July 30-Aug 3 / 12:30-3:30 p.m.

"My kids had so much fun and were engaged the whole time!"

K-2nd Grades Themed Camps

Afternoons Only

ART MASTERS *NEW*

This creative class is perfect for art lovers! Draw, paint, and sculpt every day as we tackle new projects. Explore the basic techniques of art while enhancing creativity and self-expression. We'll showcase our creations with a gallery walk on the last day of camp!

July 16-20 | 12:30-3:30 p.m.

COLOR MY WORLD

Are you a budding artist? Love colors, shapes, patterns, and all things art? Join us in the studio for a week of painting, drawing, sculpting and more!

July 9-13 | 12:30-3:30 p.m.

LEGO® ENGINEERING *NEW*

Gear up your engineering skills as we create with LEGO® parts! Apply real-world concepts from science, technology, engineering, and math as we use teamwork to complete projects. Problem solve and think critically as you have fun learning with this popular tool.

June 11-15 | 12:30-3:30 p.m.

MINI ENTREPRENEURS

How many times have you negotiated snacks, bedtimes or screen time with your little one? We'll take a team of budding entrepreneurs and create a mini business for the week. We'll learn needs vs. wants, money management, simple budgeting, trade (sharing) and more. Be sure to shop with us at the end of the week!

June 25-29 | 12:30-3:30 p.m.

CHESS FOR BEGINNERS

Learn the basics of chess and improve your skills and concentration. Discover the origins of this fun game while enhancing your pattern recognition and self-discipline as you practice. Create your own board and pieces as a take-home keepsake. Up to the challenge?

July 23-27 | 12:30-3:30 p.m.

INTRO TO KEYBOARDS

Curious about the ivory keys? Learn piano basics and experiment with sound through the use of keyboards. Students with less than one year of music/piano experience are encouraged to take this class. We'll have you feeling like a pro in no time!

June 18-22 | 12:30-3:30 p.m.

MINDFUL MOVEMENT

Discover how yoga, mindfulness, brain science, and movement are all connected. During this camp, students will learn the science behind healthy brains and practice mindfulness and creative expression through exercise and yoga.

July 2-6 | 12:30-3:30 p.m.

SPANISH I

Are you a beginning Spanish speaker? Know just a couple of words? This class will focus on beginning Spanish skills that include reading, writing, listening, and speaking. This class will be taught by a certified Spanish teacher.

July 30-Aug 3 | 12:30-3:30 p.m.

"This was a very good experience for my child...and very well organized!"

"Summit teachers approach kids with kindness and patience."

1st-3rd Grades Themed Camps

Morning & Afternoon Options

AMERICAN GIRL DOLL CAMP

Bring your American Girl doll and get ready for a week of adventure! We'll learn about the history of different dolls, partake in crafts and other activities with our dolls, and end the week with a tea party!

July 23-27 | 8:30-11:30 a.m.

INTERMEDIATE CHESS

Expand your knowledge of chess and sharpen your skills and concentration. Discover the origins of this fun game and practice new strategies to wow your opponents. Create your own board and pieces as a take-home keepsake. Up to the challenge?

July 30-Aug 3 | 12:30-3:30 p.m.

KID-POWERED KINDNESS ^{*NEW*}

Kid-Powered Kindness is a movement that started in C.R. and is picking up steam around the country. Campers will find ways to be kind in their school, family, community and more through stories, art, activities, and even a project the kids help define and carry out over the course of the week. *To learn more, visit www.kidpoweredkindness.org.*

July 9-13 | 12:30-3:30 p.m.

OPTICAL ILLUSIONS

This class will focus on positive and negative space and how it relates to optical illusions and zentangles. If you love doodling and bright colors, this camp is for you! Join us as we make bright and beautiful creations that are fun to share.

July 2-6 | 12:30-3:30 p.m.

COMIC BOOK DESIGN

Use your imagination and the inspiration from your favorite comic books to create your own! Develop heroes and villains as you design unique characters and learn about facial dynamics, body construction, and the art of exaggeration.

July 23-27 | 12:30-3:30 p.m.

JR. MASTER CHEFS ^{*NEW*}

Join us in the kitchen for hands-on learning! Learn about kitchen safety, food preparation, and whip up some of your favorite recipes in this tasty class. We'll even get a chance to cook with veggies from Summit's own garden. Bon Appétit!

June 18-22 | 12:30-3:30 p.m.

KITCHEN CHEMISTRY

Turn the ordinary into extraordinary in this creative class! We'll make concoctions and prepare potions from basic kitchen ingredients. See what everyday materials are capable of as you become a kitchen chemist for the week!

June 11-15 | 12:30-3:30 p.m.

ROBOT BOOT CAMP ^{*NEW*}

Dash and Dot are real robots that teach youth to code while they make the robots sing, dance, navigate obstacles, and take on challenges. Participants will discover their skills with basic computer coding using tablets and the robots in a fun, interactive way!

June 11-15 | 8:30-11:30 a.m.

CRACKLE, POP, FIZZ!

Grab your lab coat and get ready for a week of messy, fizzy fun! We'll experiment with basic kitchen ingredients as we learn about solids, liquids, reactions and more! This camp is sure to WOW you!

July 16-20 | 8:30-11:30 a.m.

JR. ROBOT CODERS

Have you met Sphero, the app-enabled robotic ball that will inspire a love of robotics? Spend the week sharpening your coding skills as you use block coding programs to meet different challenges throughout the week.

July 16-20 | 12:30-3:30 p.m.

MAKER CAMP

Spend the week as a maker as we use our imaginations to create, construct, and design. We'll incorporate a variety of project-based, hands-on activities that have us thinking creatively and working in teams to problem solve.

June 25-29 | 8:30-11:30 a.m.

SEW CRAFTY ^{*NEW*}

Discover a new hobby in this crafty camp! Try your hand at crochet, finger knitting, sewing, jewelry making, and more! This camp is sure to be "sew" much fun!

June 25-29 | 12:30-3:30 p.m.

GALAXY WARS

Calling all Jedis! Spend a week exploring your favorite characters from a galaxy far, far away as we bring Star Wars to life through a variety of games and hands-on activities. Bring your Jedi cloaks and get ready to train like Luke Skywalker during this exciting week of camp!

July 9-13 | 8:30-11:30 a.m.

JR. VIDEO GAME CODERS

Discover your inner video game coder during this hands-on class. We'll utilize MIT's Scratch program as we learn basic coding skills and combine commands to program our own characters and games!

June 18-22 | 8:30-11:30 a.m.

MIND OVER MATTER ^{*NEW*}

What's the matter? We'll find out during this hands-on, science-based camp. Experiment with solids, liquids, and gases as you learn more about the various states of matter. Activities will include homemade ice cream, dry ice fun, insta-snow, slime, and more!

July 2-6 | 8:30-11:30 a.m.

SPACE CAMP

3, 2, 1...Blast off to space fun! We'll explore all things space-related as we spend the week as astronauts. Students in this camp will experience the Digital STARLAB® planetarium! Explore rockets, galaxies, and eat like an astronaut! Don't miss this stellar camp!

July 30-Aug 3 | 8:30-11:30 a.m.

3rd-5th Grades Themed Camps

Afternoons Only

ADVANCED ROBOT CODERS

Take your knowledge of coding to the next level as we work with Sphero robots to think critically and problem solve. We'll design challenges, navigate obstacle courses, and work in teams to strengthen our coding skills using these fun and educational 'bots! **Students should have coding experience prior to attending this camp. We recommend visiting code.org for free coding activities.*

July 23-27 | 12:30-3:30 p.m.

MAD SCIENTISTS

Needed: scientists eager to discover just how things are done in the lab. Explore a variety of topics through hands-on experiments designed with STEM in mind. Don't miss this super science extravaganza!

July 16-20 | 12:30-3:30 p.m.

MASTER CHEFS

Calling all future chefs! Let's get cooking as we whip up a variety of scrumptious recipes, learn about food preparation and kitchen safety, and even get a chance to cook with veggies from Summit's own garden. Bon Appétit!

July 2-6 | 12:30-3:30 p.m.

MILITARY BOOT CAMP *NEW*

Enlist each day in a different branch of the military: Army, Navy, Air Force, and Marines and learn about the history of each. Be all that you can be as you put your physical fitness to the test. Activities will culminate in a challenging "boot camp" obstacle course on the last day.

July 30-Aug 3 | 12:30-3:30 p.m.

MUSIC AROUND THE WORLD

NEW

Students will explore the musical traditions of people around the world, spanning six continents. They will learn about various cultures – songs, dances, instruments, language, customs – to better understand what commonalities and differences these cultures have, through the lens of music.

July 9-13 | 12:30-3:30 p.m.

OUTDOOR ART

Rain or shine, this camp will bring nature's beauty to life through messy but fun projects, including painting, bubble foam, shadow art, and more. If you love nature and art, this camp is for you!

**Please wear clothes that you don't mind getting messy!*

June 11-15 | 12:30-3:30 p.m.

THE SCIENCE OF STAR WARS

NEW

Explore the science of galaxies far, far away! How do light sabers glow? What engineering skills were necessary for building the Death Star? How do force and resistance change in outer space? What does it take to build a droid? May the Force be with you as we experiment with these concepts and more!

June 25-29 | 12:30-3:30 p.m.

THINK LIKE A COMPUTER PROGRAMMER *NEW*

Learn how programmers solve problems as you participate in fun, interactive activities. Be part of a Take Action project to improve a real world issue through computer programming! This camp is offered in partnership with Girl Scouts. Eligible Brownies or Juniors: complete this camp and receive your "Think Like a Programmer" badge. You DO NOT have to be a Girl Scout to take this camp - it's open to ALL students grades 3-5.

June 18-22 | 12:30-3:30 p.m.

"My child has participated in various camps...the experience at Summit was by far the most enjoyable and educational!"

4th-6th Grades Themed Camps

Morning & Afternoon Options

ADVENTURES IN GEOCACHING

Are you a geocaching junkie, or is it all new to you? Join the expedition as we use GPS devices to hide and seek "geocaches" in our neighborhood. The outdoor adventures await!

July 30-Aug 3 / 8:30-11:30 a.m.

BEHIND THE SCENES

Are you a superstar in the making? Enhance your acting skills as you spend a week learning improvisation; designing costumes, props, and sets; conveying characters through body language; and learning your own lines. We'll showcase your talents during a performance at the end of the week!

July 9-13 / 8:30-11:30 a.m.

BOARD GAME MANIA *NEW*

Tired of that computer / tablet / phone screen? Challenge yourself to find new ways to enjoy your summer vacation or weekends with the family. Learn how to play and enjoy a multitude of board games. You'll also learn card games and tricks to play on your own!

July 23-27 / 12:30-3:30 p.m.

CANDY DOES WHAT?! *NEW*

What else can you do with candy besides enjoy the sweet taste? Experiment with it! Unwrap the secrets to candy and find out why it fizzes and bubbles. Discover how it looks after days of soaking. Use all five senses to really enjoy that candy!

July 16-20 / 12:30-3:30 p.m.

GERMAN CULTURE *NEW*

Pack your bags and get ready to experience the language and culture of Germany! Learn to speak common phrases in German, taste traditional and modern treats, and learn about the daily lives of children living in Germany.

July 16-20 / 8:30-11:30 a.m.

HAPPY

Healthy brain + Artistic expression + Peaceful mind + Positive outlook + Yoga = HAPPY! Explore happiness through science, creativity, meditation, personal reflection, and yoga. Compose a personal "soundtrack" of music, create vision boards, and identify your core values.

June 25-29 / 12:30-3:30 p.m.

IT'S MAGIC!

Calling all magicians in the making! Learn about the history of magic, study famous magicians and their strategies, and encounter new tricks of your own to share. Our discoveries will culminate in a magic show at the end of the week!

June 11-15 / 8:30-11:30 a.m.

LET'S CREATE MUSIC! *NEW*

This camp is designed to give students the tools they need to compose their own music and share it with others. Participants will learn the basic building blocks of music and will use professional-level software to save and print their finished products.

June 11-15 / 12:30-3:30 p.m.

LOGIC & BRAINTEASERS

Put on your thinking caps and join us for a week of brainteasers, puzzles, riddles, and story problems. If you like to think critically, problem solve, and reason - all while having fun - this is the camp for you!

July 9-13 / 12:30-3:30 p.m.

SPY CAMP

Calling all super sleuths! Join fellow detectives for a week of decoding secret messages, solving riddles, and training to be a secret agent. If you love mysteries, this class is for you!

June 18-22 / 12:30-3:30 p.m.

THAT'S (VIRTUAL) REALITY!

NEW

Travel the world without leaving the classroom! Students will embark on global adventures as they experience virtual reality. Travel accommodations provided by Google Expeditions, Google Arts & Culture, and Discovery Education. Summit will provide all technology.

June 18-22 / 8:30-11:30 a.m.

THE ART OF SCIENCE *NEW*

How are science and art connected? Discover how intertwined they are in this creative, hands-on class. Mix your own paints, create lava lamps and kaleidoscopes, and discover how science & your favorite candies can be used to design your own art.

July 30-Aug 3 / 12:30-3:30 p.m.

TINKERS & THINKERS

Have you heard of Arduino and Makey projects? Are you an inquisitive person who likes to tinker with things? We'll take your creativity and curiosity to a whole new level with hands-on projects that will put you in Maker-mode in no time!

July 2-6 / 8:30-11:30 a.m.

VIDEO GAME MASTERS

Do you love video games? Think you have what it takes to design your own? Join us as we discover the creative process of making our own characters, actions, and music. We'll hone our coding skills as we create our own games using MIT's Scratch program.

June 25-29 / 8:30-11:30 a.m.

VIVE LA FRANCE! *NEW*

Say "bon voyage" and "allons-y" as we pack our bags and take an educational journey to France to learn about history, cuisine, language, and so much more! Join a certified French teacher on a 4-day adventure into French culture!

July 2-6 / 12:30-3:30 p.m.

WIZARD SCIENCE

Learn alongside your favorite Harry Potter characters at our very own Hogwarts class! Join the wizarding fun as we perform magical science experiments and create literature crafts. Make the world of Harry Potter come to life!

July 23-27 / 8:30-11:30 a.m.

5th-8th Grades Themed Camps

PM & Full-Day Options

IOWA ADVENTURE CAMP

Hit the road with us as we embark on a week of adventure! Zipline in Dubuque; slip, slide, and splash at "The Falls Aquatic Center" in Cedar Falls; spend a day canoeing; climb the bouldering wall and jump in the pool afterwards at the University of Iowa's Rec Center; and enjoy mini golf followed by an afternoon at Noelridge Pool. If you love to travel and experience new adventures, don't miss this exciting week! This camp will be taught by Summit's current middle school teacher, Mr. Jamie.

Please send a sack lunch.

**All activity costs are included in the camp price. Please be advised that there will be an additional transportation fee, which will be determined at a later date. This fee will depend on the number of registrants and will be kept as minimal as possible.*

June 25-29 | 8:30 a.m.-3:30 p.m.

IT'S IMPROVABLE! *NEW*

Join Summit's current middle school teacher, Miss Monica, as you learn the fundamentals of improvisation. Experience games, storytelling, and character development. Improve your focus, attention to details, public speaking skills, and ability to think on your feet in this fast-thinking camp!

June 11-15 | 12:30-3:30 p.m.

THE JOY OF PHOTOGRAPHY *NEW*

Explore the world of photography! Discover the various elements of photography, get creative with fun photo assignments, enjoy a photo booth, and become inspired as we spend a day outside at Seminole Valley. We'll even build a camera that you can WALK into! This camp will be taught by Summit's longtime photographer/board member Bruce Thayer, as well as a certified teacher.

Please send a sack lunch.

**All activity costs are included in the camp price. Please be advised that there will be an additional transportation fee, which will be determined at a later date. This fee will depend on the number of registrants and will be kept as minimal as possible.*

July 9-13 | 8:30 a.m.-3:30 p.m.

TRAVELING WRITERS' WORKSHOP *NEW*

Buckle up and join this creative writing adventure! Students will take a literary tour of the Iowa City area (known as an international literary destination) as they use famous attractions to inspire writing of their own. Enjoy nature hikes and visits to libraries, book stores, and museums. The last day of camp will include sharing of final written pieces, followed by a celebratory swim at Noelridge Pool. This camp will be taught by Summit's current middle school teacher, Jamie Newton.

Please send a sack lunch.

**All activity costs are included in the camp price. Please be advised that there will be an additional transportation fee, which will be determined at a later date. This fee will depend on the number of registrants and will be kept as minimal as possible.*

July 30-Aug 3 | 8:30 a.m.-3:30 p.m.

"I would absolutely recommend these camps to other families!"

"Summit Schools is a wonderful way to keep my child busy in the summer. Thank you!"
